

Bratton Primary School Newsletter

'A school at the heart of its community where children learn, have fun and thrive'

Dear Parents and Carers,

I hope everyone enjoyed celebrating the coronation of King Charles III and the extra bank holiday last weekend. Thank you to everyone who attended our family picnic on Friday, the sun shone and it was wonderful to see so many families and children enjoying the school grounds together. Perhaps we will aim to arrange another family picnic during the Summer term.

Details of our new handwriting scheme 'Letter-join' have been sent home today and we hope everyone is able to log in and explore the site. If you have any problems please speak with your child's class teacher who will try and guide you.

We are all extremely proud of our Year 6 children this week, who have been completing their end of Key Stage 2 statutory assessments. The children have all shown amazing attitudes and resilience all week and have certainly sparkled and shined. Well done to all.

Reading Challenge

We would like to encourage all children to read more regularly at home. Reading makes a huge difference to the children's learning and progress throughout the curriculum as we're sure you already know! To encourage this we have set up a Summer Reading Challenge. Each child has been given a reading reward card. We would like the children to read at home with an adult every evening. The adult can then sign their reward card each day along with a written comment in their reading record. For every five reads the children will receive a stamp and when they reach 25 reads they will be rewarded with a lucky dip prize!

Summer Weather

As the weather gradually turns to warmer and sunnier days (fingers crossed!) please could we remind everyone to bring a named sunhat into school which can be kept in your child's bag. Please could sun cream also be applied before school as children often find this tricky to apply themselves and unfortunately staff are not able to help children apply sun cream. Of course the great British Summer is usually scattered with the occasional shower so please could all children continue to bring a light raincoat into school so as they are ready for whatever the weather brings each day.

Wishing everyone a lovely weekend.

Mrs Williams
