

Leopards Homework Grid Term 2

Key Question: What makes our world so wonderful?

These are optional activities but we hope you try 1 or 2 this term. Please bring in or practise for the **WC 11th December**

Explore

What can you find out about extreme weather events. Perhaps you could write a speech about all the changes we need to make in our lives to tackle climate change.

Question

Try creating a quiz about geographical features. You could ask questions about rivers, mountains, capital cities etc. Is your quiz going to be multiple choice? How many questions will you ask?

Talk to an adult

Talk to someone you know who has had a really special holiday. Perhaps they went on a cruise. Perhaps they went somewhere extremely hot or extremely cold! Maybe you know someone who went on holiday alone. Did they enjoy their brave adventure?

Create

Try drawing or painting a famous landmark somewhere in the world. What will you choose? Sydney Opera House in Australia? The Niagara Falls in Canada?

Make

Can you make a model of a famous building in London? What materials will you use?

Research

What can you find out about school life in another country. What time does school start? How do children get to school? What subjects do they study? Do they have a playground? Do they have a uniform?
