

Antelopes Homework Grid

Term 2

What makes our world so beautiful?

These are optional activities but we hope you try 1 or 2 this term.

Please bring in or practise for the **WC 11th December 2023**

Poster

Watch one of Sir David Attenborough's documentaries on planet Earth. Create a poster showing information on our world's physical features.

Explore

What can you find out about extreme weather events? Perhaps you could write a speech about all the changes we need to make in our lives to tackle climate change.

English

Do you have a favourite celebrity, famous person or sportsman/woman? Use the shapes and skills we are practising in English to write a biography of their life.

Geography

Create a map of a chosen country/area using symbols and keys. Can you use four-figure co-ordinates to help readers locate features on your map?

Create

Try drawing or painting a famous human feature somewhere in the world.

Or have a go at drawing a famous physical feature somewhere in the world.

What will you choose? Sydney Opera House in Australia? The Niagara Falls in Canada?

Research

What can you find out about school life in another country? What time does school start? How do children get to school? What subjects do they study? Do they have a playground? Do they have a uniform?

Question

Try creating a quiz about geographical features. You could ask questions about rivers, mountains, capital cities etc. Is your quiz going to be multiple choice? How many questions will you ask?
