

Zebras Homework Grid

Term 1

If you were an animal, what would you be?

These are optional activities but we hope you try 1 or 2 this term.

Please bring in or practise for the **WC 16th October**

Move

Can you move like an animal?

Think about some of the movements we have practised in our PE lessons.

You can take a picture or practise your moves to show us in school.

Practise

We have been sorting and matching objects in maths lessons.

Can you practise finding matches by pairing socks? Can you group objects around the house based on colour, size or type? E.g. All the forks in one pile and the spoons in another.

You could take a picture to show the class.

Observe and explore

The start of the school year sees some exciting changes in season.

- Do you know what season is ending?
- Do you know what season is starting?
- How do you know?

Can you collect some signs of Autumn to bring in and show us?

Talk

Talk to an adult and discuss if you think it would be nicer to be a pet or a wild animal?

Why do you think this?

Did they agree or disagree?

Get ready to tell us about your talk.

Make

Can you make a junk model of your favourite animal?

You could try to use a range of recyclable objects and think about how you will decorate it using materials from around the house.

Question

Can you write a list of questions that you would like to ask a vet?

You can get a grown-up to record your ideas.

We will email these to a vet and see if we can get some answers for you.
